Reference No. 4209

Chief Engineer's Office,  
Karachi, 12th July 1934.

The Surveyor to Lloyd's Register,  
Custom House,  
Karachi.

Dear Sir,

I have an enquiry for the S.D. "Graham Lynn"  
and should be obliged if you let me know if this dredger  
would be allowed to be towed to sea as it stands or if  
not what alterations etc., would have to be made.

Yours faithfully,

Sd. H.L. French.

Ag. CHIEF ENGINEER.
