Manora 20th April 1914

Sir

I have this day posted you a photo showing
the work in progress of the Suction dredger No 113,
and thought it would be of interest to you, as
this shows three weeks work daily, of course since
this has been taken there is a great advancement,
the work is being carried out by a representative
of Messrs Lobnitz & Co. I am Sir

Your most obed^t. Serv^t

J. H. Jones
