Dear Sir,

Aned.
LONDON

Replying to your classing letter of the 17th instant in connection with Reports Nos. 17710/11 on steamer "ERYNYMOR", I may say that the dates of survey shown as 4th and 22nd February should have been shown 4th and 22nd November.

The riveting of the butts of the strake below the sheerstrake in wells is as approved.

I regret these were not shown accordingly.

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
