

Chief Ship Surveyor 6-10-15

Received from Chief Ship Surveyor

SHIP'S NAME Steel S. S. Wheatsheaf Rpt. Ess No. 35489

remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

Survey 1st Entry.

It is submitted that before this case receives consideration the report, midship section and profile should be returned to the Surveyors who should be requested to correct the clerical errors which appear to have been made in regard to the spacing of the rivets in the butts of shell plating, and to amend the plans to agree with the report in regard to the thickness of the frames
