Dear Sir,

We are contemplating making various structural alterations to the above vessel, and have applied to the Builders, Messrs. Robert Duncan & Co., also Messrs. Swan Hunter & Wigham Richardson Ltd. for the following plans:-

- 1 Shell Expansion
- 2 Centre line non-oil tight bulkheads
- 3 After coal bunker bulkhead
- 4 Transverse bulkhead in way of oil tanks
- 5 Decks, trunk sides and trunk top plating
- 6 Double bottom tanks internal structure and tank tops
- 7 Shaft tunnel
- 8 Forward & after hold construction, including tank structure and tank top plating in way

which unfortunately they are unable to supply us with.

We presume you had working drawings in connection with the building of this vessel, and beg to enquire whether you could supply us with blue prints of these, and if so, what your charge would be.

Thanking you in anticipation,

Yours truly,

DSJ/CH
