LONDON

Dear Sirs,

S/S "Atlanten".

This steamer's class was renewed in November 1931 and as the class ordinarily is valid 4 years we are aware that the Survey is due in November this year. But as we owing to a charter have no possibility to get the Survey arranged at that time, we request you to agree to postponement of the Survey to April next year, 1936. We hope you will agree hereto all the more as this steamer, when drydocked at Cardiff in April/May this year had her rudder lifted and the rudder-tholes renewed, at the same time the axle was pulled and the Cederwallsbox adjusted, the coupling-box and the coupling-box-moulding was likewise renewed. Of course all these repairs, improving steamer's condition, were duly reported to your office by your Cardiff expert who controlled the work when carried out.

We therefore hope that you will kindly agree to the postponement of Survey as above mentioned and shall be pleased to receive your favourable reply. In the meantime we beg to remain

Yours faithfully,

REDERIAKTIEBOLAGET NORRA ATLANTEN
