

Lloyd's Register of Shipping,

Empire House, Mount Stuart Square,

Cardiff, 3rd June, 1935.

Dear Sir,

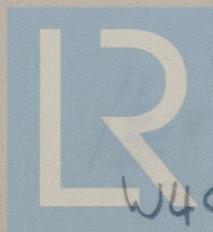

In reply to Classing letter of the 31st ultimo regarding the steamer "ATLANTEN", I beg to state that owing to the accumulation of grease and dirt and the obstruction due to ship's stores etc., it was not possible at this time to make a thorough examination of the tunnel stools.

In the circumstances the stools were not dealt with at this time, but the Superintendent has promised that these shall receive attention at the next Special Survey.

I am, Dear Sir,

Yours faithfully,

The Secretary,
LONDON.
