Enclosure

4th June, 1934.

Dear Sir,

I have to acquaint you that a Swedish Convention freeboard certificate was issued in June, 1933 in respect of the steamer "ATLANTEN", No.21434 in the Register Book, but consequent upon the transfer of the vessel to the Finnish flag this certificate is no longer valid.

In the circumstances I shall be glad if you will inform the new Owners accordingly and ascertain from them and let me know when and at what port it will be convenient for the Society's Surveyors to verify the freeboard markings with a view to the issue of the appropriate Finnish certificate.

I enclose for your information a memorandum of the freeboards and in this connexion I have to add that the Timber Winter North Atlantic freeboard has been altered from 1568 mm. to 1531 mm. in accordance with the Finnish Regulations.

I am, Dear Sir,
Yours faithfully,

Ossian Tybeck, Esq.,

HELSINGFORS.
