

BOARD REPORT on the

## Atlanten

This vessel is now under the Finnish Flag. port registry also  
 Convention (Swedish) Cert issued 12. 6. 33  
 expires 3. 6. 38

It is submitted the Helsingfors Surveyor be advised and  
 requested to inform the owner that the Swedish certificate is  
 no longer valid. It should be pointed out that under the  
 Finnish regulations the timber North Atlantic freeboard will  
 be 1531 mm instead of 1568 mm as at present marked on the  
 ship's side. A memo of the freeboards under the Finnish  
 regulations should be forwarded and he should be requested  
 to arrange with the owner when and at what port the freeboards  
 can be verified in order that instructions may be given and a  
 Finnish Certificate issued

The Gothenburg Surveyor should be advised of the action taken
