71, Fenchurch Street. E.C. 3.

13th September, 1935.

Dear Sirs,

H.

With reference to the Special Survey No. 3, which became due at the end of September, 1931, on the steamer "MONTAUK", I have to acquaint you that following a report received from the Society's Surveyors at New York last month the Committee agreed to this vessel's class being maintained for a voyage to Italy where it was understood she would be broken up.

The vessel has been sold to Messrs. Cantieri Metallurgici della Venegia Giulia of Trieste, and, as it would appear from the Shipping Papers that she arrived at your port on the 2nd instant, I shall be glad if you will keep this case in mind and inform me immediately the work of demolition is commenced.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

GENOA
