31st March, 1937.

Dear Sirs,

S.

With reference to the classification in the Society's Register Book of the steamer "ABCEUS", I beg to acquaint you that the Committee have had before them at their meeting to-day a report received from the Society's Surveyors at Buenos Aires, from which it appears that the vessel has been examined as far as practicable afloat after grounding.

So far as could be seen no damage has been sustained, but it is recommended that the vessel be examined in dry dock at the earliest opportunity.

I am, Dear Sirs,

Yours faithfully,

Clerk to the
Classification Committee.
