10th July 1923.

Dear Sirs,

I am in receipt of your letter of the 9th instant respecting the S.S. "VALEMORE" and in view of your remarks in regard to the Shelter deck and tonnage opening I am communicating with the Society's Surveyor at Queenstown to give the case the necessary attention so that amended freeboards may be assigned.

I may point out, however, that application should be made by you to the Board of Trade direct for revision of tonnage measurement of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.
