Dear Sir(s),

"LAPLACE".

I am directed to acquaint you that in accordance with the arrangements at present in force for the substitution of Special Periodical Surveys by successive General Examinations at twelve-monthly intervals, a General Examination for maintenance of class of the above-named vessel will require to be held before the end of **November next** and I shall be glad to learn, for the information of the Committee, when and at what port it is proposed to submit her for the requisite inspection.

At the same time I think it well to remind you that the vessel's Freeboard Certificate will expire on the **30th November 1942** and you will doubtless wish to arrange for the necessary Freeboard Survey to be held in conjunction with the above General Examination, with a view to the renewal of this certificate.

I am, Dear Sir(s),

Yours faithfully,

Messrs. Lamport & Holt Line Ltd.,  
101, Royal Liver Building,  
LIVERPOOL, 3.

*Malcolm H. Scott*  
Secretary.

P.S. I think it well to add that the permanent repairs to the considerably worn bottom plating and to No. 7 D.B. tank require to be specially examined by the end of **November next**.

I take this opportunity to point out that the Boiler Survey also becomes due at the end of **November next**.
