

Enquiry from The Anglo-American Oil Co.Ld., relative to the application of the new Freeboard Regulations to their Motor Tankers building by Messrs. Palmers' S.B. & I.Co., as their Yard Nos. 1001 and 1002.

It is submitted the writers be informed that freeboards under the present regulations have not yet been assigned to these vessels.

If they will arrange with the Builders to submit full particulars required for the computation of freeboard under the present Rules and in accordance with the Convention proposals, the provisional freeboards will be intimated to them.
