Lloyd's Register of Shipping,

High Close, Wiltshire Road,
Wokingham, Berks.

15th January, 1940.

Dear George,

The following vessels have been refloated,

Wrk.Bk. 47-38	s.s. "DELMWYN".....	No. 73191	in 38/9 R.B.
8-39	s.s. "FOYLES".....	No. 74587	" "
31-38	s.s. "GREATER".....	No. 75269	" "
36-38	s.s. " <u>THORPEHAVEN</u> "....	No. 84280	" "

As a result of a conference with Mr. Sladden, will you please re-insert these vessels' names in the R.B. exactly as they last appeared (same Owners, etc) with the exception that you add the word "REFLOATED" after the casualty record.

Wrk.Bk. 37-38 s.s. "ENGLISH TANKER"....No. 73998 in 38/9 RB

Please re-insert this exactly as she last appeared.
(She will be repaired).

None of these vessels are yet repaired and have therefore not sailed under the new names they have received according to Lloyd's Index. When they trade, a "new trading" will be given with their new names.

Yours sincerely,

Lloyd's Register
Foundation
