Dear Sir,

S.S. "ALBERTO FASSIO" to be renamed "ESSEX JUDGE". We propose drydocking this vessel at Messrs. The Middle Docks & Engineering Co's Drydocks, South Shields, on or about the 19th instant, for the purpose of having her measured, draft-marks checked etc. for change of name.

Will you please take advantage of the vessel being in drydock to verify the Freeboard markings; she is classed with your Society. We shall be glad if you will issue fresh certificates in the new name of the vessel in due course.

Yours faithfully,

*Meldrum & Peterson*
