Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th June, 1931.

Dear Sir,

M. With reference to the proposed classification with this Society of the T.S.S. "GARDENGA", I have the pleasure to state that the moulded dimensions of this vessel as measured from the plans are 129.5' B.P. x 27.8' x 8.35', the mean draught loaded will be 6'-9", and the class will be 100A1 with a freeboard corresponding to an all Seasons draught of 6'-9" "For Coasting Service between Lourenco Marques and Port Elizabeth".

I am, Dear Sir,

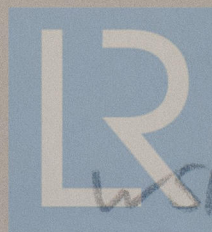

Yours faithfully,

Secretary.

Lt. Commander R.G. Wardrop,

11, Montpelier Road,

BALING, W.5.
