7th March, 1932.

Dear Sirs,

With reference to the case of the M.S. "CABO SANTO TOME" which was completed under your survey in December last, I have to request that you will kindly arrange to collect the fees due for the survey of the hull and fitting on board of the machinery, as the vessel is now sailing and it is obviously in the interest of the owners that the certificates should be issued and the necessary record of the vessel's classification should appear in the Society's Register Book without further delay.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

BILBAO.
