Received from Chief Ship Surveyor

VESSEL'S NAME Steel S.S. "NAUSICAA"

Rpt. Bel. No. 8749

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

(The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement.—Extract from Sub-Committee's Report, 24/5/22.)

Particulars of Survey

Before this case receives the ^{Mr. Bel.} consideration of the Committee the Surveyors should be requested to state, if the riveting of the edges of outside plating in way of oil tanks is as required to state the thickness of keel buttiaps.
