Dear Sir:

I am in receipt of your letter of the 4th instant, advising that the above named vessel has been transferred to the Panaman Flag.

Panama Load Line Certificates have been prepared and it will be observed that the date of expiration of same, namely, 30th of June, 1939 coincides with the date of expiration of the year of grace for the next Special Survey.

As we have no information regarding the address of the new Owners I think it well to forward the Certificates to you and I shall be obliged if you will forward the original and certified copy to the Owners, retaining a second copy for your records.

The photostatic copy of the C.11 Report is being retained in our files.

I am, Dear Sir,

Yours faithfully,
