Dear Sir,

I beg to enclose a Rpt 8 supplementing to Mr Murray's Rpt. CII of 22nd June last on the above vessel, stating the required alterations for deeper loading are now completed as instructed in your letter of 29th June.

As Mr Murray's Rpt CII is retained by you I have not made out a fresh Rpt CII, which I trust is in order.

The freeboards are correctly marked on the ship's sides in accordance with your letters of 29th June and 5th January last. The verification form is attached, and the old Certificate of Freeboard is enclosed for cancellation

The marks were placed on the vessels sides by the Chantiers de Normandie with instructions from the Owners. This office was not notified until the marks had been cut in.

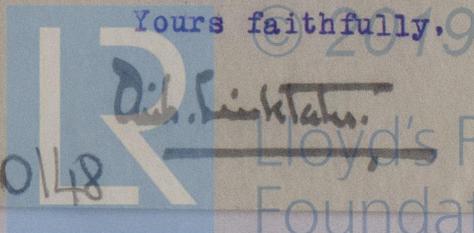

The Owners request the new Certificate of Freeboard, which kindly send to this office.

The vessel is still laid up at Petit Couronne.

I am, Dear Sir,

Yours faithfully,

The Secretary.
