

COPY.

Enclosure.

12th August, 1931.

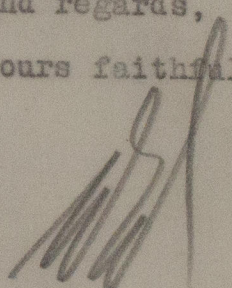

Dear Mr. Perrachon,

I received your note of the 10th instant with enclosures regarding the Convention Freeboard for the "MAUSICA".

For your information I enclose a copy of our computation, and from this you will observe that the principal cause of the difference in our figures is the height of the superstructures, for which you have omitted to make any reduction.

With kind regards,

Yours faithfully,

J. Perrachon, Esq.,

Compagnie Auxiliaire de Navigation,

5, Avenue du Coq,

PARIS.
