P A R I S,

October 23rd, 1923.

The Managing Director,
North of Ireland Shipbuilding Co. Ltd.,
LONDONDERRY.

Dear Sir,

"Nausicaa" Corrosion.

With reference to your letter of the 21st September 1923, in which you enclosed a copy of the report of Mr. Milton, Chief Engineer of Lloyds Register regarding corrosions on the plates of the "Nausicaa", we have the honour to send you herewith a note which the Conservatoire des Arts et Metiers have sent us, replying to the arguments contained in that report.

We are, dear Sir,

Yours faithfully,

CIE. AUXILIAIRE DE NAVIGATION.

(SGD) F. JOIN-LAMBERT.

General Manager.
