afforded the Society's Surveyors when the vessel dry docked for satisfying themselves that she is in a fit condition to proceed.

I shall therefore be glad if you will kindly arrange for the case to receive attention accordingly.

In regard to the vessel's Freeboard Certificate it will be necessary for an Annual Freeboard Survey to be held, on completion of which the Certificate and copy should be endorsed for extension until the 31st January, 1937.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,

GLASGOW.
