LONDON.

LIST OF SHIPOWNERS AND MANAGERS  
PAGE 192 IN THE REGISTER BOOK.

Dear Sir,

I have to inform you that the name of the Owners of the "SINALOA" and "SONORA" under the heading VAPORES CORREOS MEXICANOS, S.A., should be deleted.

The "Sinaloa" has been sold to Messrs. Hill, Smale & Robinson, of Los Angeles, by the Underwriters of the Vessel with the understanding that she be broken up for scrap and under no circumstances be repaired. We understand that the Vessel is in process of demolition and what cargo can be saved is now being removed from the Vessel where she now lies on the rocks of the breakwater of Los Angeles Harbor.

The "Sonora" has been purchased by Mexican Owners to be operated by the KEENE LINE, 255 California Street, San Francisco, Cal. I have been in communication with the Owners of the "Sonora" who have definitely informed me that it is their intention to have this Vessel withdrawn from class in the Register Book. Whether this Vessel will be repaired at this Port or in Canada has not been definitely decided by the Owners.

Full particulars of the new Company and their address and other particulars for the Register Book will be forwarded just as soon as we receive same from the Keene Line. We understand that the Vessel will still remain under the Mexican flag.

I am, Dear Sir,

Yours faithfully,

*David Pillar*
