

LLOYD'S REGISTER OF SHIPPING,

17 BATTERY PLACE,

NEW YORK July 19th, 1921.

Dear Mr. Mayne:-

S. S. "ASTMAHCO IV"
New York Report No. 20225

In reply to the inquiry contained in your semi-official letter of the 10th ultimo, I have to state that I am informed by the Surveyor that at the time of his survey, the Owners' Superintendent did not seem desirous of doing anything towards the Special Survey No. 1, but that in his opinion, the docking, testing of engine room tank and steering gear might be considered as part of the survey in question.

Yours faithfully,

F. A. Mayne, Esq.,
LONDON.
