

FREEBOARD REPORT on the RYLADES

It is submitted the Freeboards given on the accompanying form, being those required by the Tables, merit approval. Subject to:-

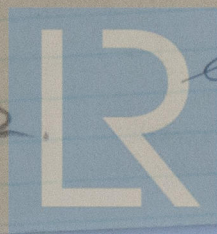

- ① Efficient means of closing being provided for all ventilator coverings & all air pipes.
- ② Satisfactory provision being made for rigging lifelines which should be available for use in any part of the ship which might have to be used by the crew in the regular working of the ship.
- ③ Satisfactory support being provided for the bunker hatch covers on the casing top in view of the ~~weight~~^{size} of the hatch.

As the freeboards computed under the 1906 regulations are more favourable than those computed under the Convention the former have been assigned.
