addressed to  
VES.

Dear Sir,

We have to acknowledge receipt of your cablegram of yesterday's date respecting the S/S "GASTELU", in reply to which we have to inform you that the marks are now being cut in the vessel's sides and will be verified early next week. The Timber Freeboard marks are not, however, being cut in as a Timber Freeboard is not required present.

We shall therefore be glad if you will be good enough to forward the new certificates to this office for issue when the conditions of assignment have been complied with and the markings verified.

We are, Dear Sir,  
Yours faithfully,

The Surveyors,
