13th May, 1930.

Dear Mr. Morrison,

With reference to the freeboard verification form for the s.s. "CASTELU" I notice that you have also forwarded a report on Form Rpt. 8 and that in several other cases recently you have forwarded a similar report in addition to the usual verification form. In cases which deal only with the question of freeboard the Rpt. 8 should not be used and any information which cannot be given on the usual forms for freeboard should be transmitted by letter.

We always aim at keeping freeboard matters distinct from classification reports in order to avoid confusion in the records in this Office.

With kind regards,
Yours faithfully,

Wm. Morrison, Esq.,

SEVILLE.
