15th June, 1938.

Dear Sir,

M. It is understood from Mr. Watt, a Principal Surveyor on the Chief Ship Surveyor's Staff of this Society, that during the Enquiry held into the loss of the S.S. "ANGLO AUSTRALIAN" the Court's attention was drawn to a paper by Dr. Montgomerie dealing with the strength of vessels similar in size to the above mentioned vessel.

In the circumstances I am sending to your address to-day, under separate cover, 15 copies of this Paper, as desired.

I am, Dear Sir,

Yours faithfully,

Secretary.

Board of Trade,
