Dear Sir,

I am in receipt of your letter of the 13th instant respecting the steamer "VILLE D'ARRAS", and have to say that the remarks contained therein have been duly noted.

The case has received the consideration of the Committee at their meeting to-day, who, in view of the information furnished by you, have agreed to the vessel's class in the Society's Register Book continuing undisturbed for the present, whilst laid up, subject to the Owners furnishing the usual undertaking required in such cases.

I accordingly enclose the necessary form of undertaking, together with one copy for the Owners and one for your files, and shall be glad if you will kindly request the Owners to sign this form, which should be returned to this office in due course.

I am, Dear Sir,

Yours faithfully,

J. Taxil, Esq.,
PARIS.
