Dear Sir,

With reference to Glasgow Report No. 60730 on Messrs. John Brown and Co.'s Engine No. 80 99/38, I have to acquaint you that the Committee have today had before them a report from the Falmouth Surveyors to the effect that these turbines have been satisfactorily fitted in the steamer "MIDDLESEX" No. 79496 in the Register Book. The class of which vessel has been continued with appropriate notations including one of GN.E. 7,40.

I am, Dear Sir,
Yours faithfully,

Clerk to the
Classification Committee.

The Secretary,
GLASGOW.
