THE RIVIERA HOTEL

FALMOUTH.

1.6.26.

The Secretary,

LONDON.

Dear Sir,

" As instructed by you I proceeded to Falmouth yesterday and have today examined the progress of the work on the cofferdam bulkhead at present being fitted in the steamer "MIDDLESEX" but have suggested certain alterations to the repairers, which will be ready for my inspection tomorrow morning.

The quality of the work is in my opinion satisfactory".
