Enclosure.

19th May 1926.

M Dear Sirs,

I am in receipt of your letter of the 18th instant forwarding an amended plan of cofferdam bulkhead in the case of the S.S. "MIDDLESEX", and in reply thereto I have to acquaint you that the case has been discussed in this Office with Mr. F. Silley and Mr. Edminson of Messrs. Green & Silley Weir, who state that the bulkhead is only to be an isolation bulkhead and not to come under a pressure test.

In these circumstances, provided the arrangements be carried out as shewn thereon and to your satisfaction they will be approved.

The plan is returned herewith, and the sketch sent for reference has been cancelled.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,  
PALMOUTH.
