

S.S. "MIDDLESEX"

---

Messrs. Green & Silley Weir have handed in plan shewing a cofferdam one space long to be fitted forward of the oil fuel bunker, the arrangements indicating that this cofferdam space may be filled with water. A pumping plan is also submitted.

Insulated chambers are fitted ~~in~~ the lower hold and tween decks.

It is submitted that provided the arrangements be carried out as shewn and amended, the same will merit approval.

Copies of the plans should be forwarded to the Falmouth Surveyor.
