LLOYD'S REGISTER  
Recd. 11 MAY. 1926  
Ans. 11  
LONDON

Dear Sir,

We beg to enclose herewith a blue print of a plan of Cofferdam bulkhead proposed to be fitted on Frame 109. steamer. *Middlesex*, submitted by Messrs Cox & Co for approval. Messrs Cox & Co further request to be informed if single rivetting can be accepted in the vertical landing edges of the plates in lieu of the double rivetting shown on the plan. Under the circumstances we are getting very little mail matter through we shall be glad of a wire in reply.

We are, Dear Sir,

Yours faithfully

J. H. And  
The Surveyors

W53-0136

Referred to the Chief Ship Surveyor.

RAM.  
11 MAY 1926

It is submitted that the Chief Surveyor be informed that the matter is being dealt with this messrs Green & Silley who and that a copy of the approved plans are being forwarded to them.
