The Secretary Liverpool

Dear Sir

With reference to  
 Incl letter, Jorgens report & approved plan of  
 high speed pinion for S/S Middlesex. I beg to  
 state that these arrived in this office after the  
 vessel had sailed. The Superintendent informs  
 me that the pinion was fitted here, but owing  
 to his absence from Liverpool during that time  
 the matter of admiring this office was overlooked.

I am, Dear Sir

Yours faithfully

J. H. H. H.
