S. Dear Sir,

Classing.

In reply to the enquiry contained in your letter of the 19th instant, regarding the S.S. "MIDDLESEX" First Entry Report No. 74485, I beg to state that the test of the stream wire and the riveting in the butts of the tank-top centre strake are as required, and it is regretted that this information was not given in the report. The record of "~~part cement~~" should also be made in the Register Book.

I am, Dear Sir,

Yours faithfully,

The Secretary,
London.
