

S.S. "MINDEROO"

17 APR 1936

This case is stated in the endorsement dated
3.4.36.

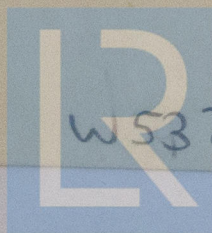

The vessel is to proceed to Japan to be broken up,
and the Fremantle Surveyor has been asked by cable if it is
intended that she should proceed in tow as a classed vessel
under his certificate. A telegram has been received from
him replying in the affirmative.

It is submitted Mr. Cox, Principal Surveyor for
Japan, be advised and requested to report when the work of
demolition has commenced.
