

COPY FOR LONDON OFFICE.

Lloyd's Register of Shipping.

Port Newcastle on Tyne

March 14th 1921.

This is to Certify that I have

Surveyed the Steel Screw Steamer "EMLYNTON". 700 tons gross of Cardiff whilst afloat at this Port. Examined the port & starboard sides in way of stringer angle and girders in No. 1 & 2 holds where same had been leaking. The door to crew's quarters has now been repaired. ~~and that~~ I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating ~~that all repairs recommended by me have been completed to my satisfaction, and~~ that I have Recommended that ~~she be the necessary repairs~~ be carried out in the Bristol Channel, to which Port the vessel has sailed,

being fit to ~~carry~~ proceed from the Tyne to the Bristol Channel with coals.

W. E. Bryan

Surveyor to Lloyd's Register.

f3-3-0

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
