Dear Mr. Warlow,

Many thanks for your note regarding the
"GLITRA".

Needless to say I shall be pleased to see
Mr. Douglas and will do everything I can for him in the
matter.

It may be that I shall be able to suggest
the best wording for his letter of application but of course
it is rather an unusual request.

With kindest regards,

Yours sincerely,

L. Warlow, Esq.,

GLASGOW.
