

WS45-0018

S.S. "GLITRA".

Mr. Douglas of Messrs. Douglas & Ramsey, again called at this Office this afternoon, and was informed that the Committee were unable to agree to the proposal put forward in his letter of the 5th instant.

He expressed keen disappointment at the decision and asked whether there was any other trade as, for instance, iron ore or phosphate from the Mediterranean, to which the Committee might be prepared to agree.
