Secretary,
Lloyd's Register of Shipping,
L O N D O N.

Sir,

We have your letter of yesterday. With reference to the Classification in the Society's Register Book of the vessel "Glitra", the vessel is as you assume, still laid up in Glasgow. In view of the uncertainty as to whether we should put this steamer into commission again or break her up, we prefer at this point, to give no undertaking and we trust you will agree.

Yours faithfully,

Douglas, Ramsey
