Sir,

With reference to the Second Special Survey 3 which became due at the end of May last, and to the General Survey which will become due at the end of next month the steamer "GLITRA", which vessel has been laid up at sea for some time, I have to acquaint you that in reply to your enquiry the Local Agents have informed the Surveyors at report that it is understood this vessel was purchased by Messrs. Douglas and Ramsay for breaking up purposes, and, under the circumstances, I shall be glad if you will ascertain and let me know how the case stands.

I am, Dear Sir,

Yours faithfully,

Clerk to the
Classification Committee.

Secretary,

GLASGOW.
