MONTREAL,

May 2nd, 1932.

M.

The Secretary,
Lloyd's Register of Shipping,
London.

Dear Sir:

In reply to your letter of the
2nd April 1932, with reference to the Load Line Markings
on the Steamer "GLITRA" I herewith enclose Verification
Report as requested.

The intermediate support is now
fitted for the life lines in the forward well deck.
The steering rods are also efficiently protected from
damage by deck cargo.

Yours very truly,

Surveyor
