Dear Sirs,

I have to acknowledge the receipt of your letter of the 1st instant respecting the steamer "GLITRA", and note that the freeboards will now probably be marked on the vessel's sides at Montreal, and in these circumstances, the Society's Surveyor at that port has today been advised regarding the case and instructed to verify the markings.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE-ON-TYNE.
