Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

16th September, 1930.

Sir,

I have to acknowledge the receipt of your letter of the 12th instant, relative to the freeboards of the vessel "GLITRA", and the contents have been noted.

In reply I have to inform you that in the absence of particulars of displacement, the Fresh Water Allowance for this vessel was determined on the usual basis of 100 lbs per foot of draught.

If you will be good enough to forward the vessel's Displacement (not Deadweight) Scale, the matter will be put into.

I am, Dear Sir,

Yours faithfully,

Secretary.

Mr. J. H. Esq.,  
Director - s.s. "GLITRA",  
c/o Messrs. Chr. Salvesen & Co.,  
LEITH.
