20th April, 1932.

Dear Sirs,

I duly received your memorandum of the 9th instant respecting the steamer "MOERDIJK", and in reply I have to say that in view of the fact that this vessel is still laid up, the Committee have deferred further consideration of the case for the present subject to the Screwshaft Survey being carried out before she is again placed in commission.

I shall be glad if you will inform the Owners accordingly and obtain from them, and forward to this Office, a letter intimating that they will have this done.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

ROTTERDAM.
