

Lloyd's Register of Shipping,

Central Buildings, West Hartlepool.

13th September, 1918.

Reference

Dear Sirs,

We beg to inform you that the 15 ton Evaporator No. 3695 made by Messrs. Richardsons, Westgarth & Co. Ltd., for their Sunderland Contract No. 2147 has been despatched to your port. The cast iron body and copper coils have been tested by Hydraulic pressure to 50 lbs and 400 lbs respectively.

For purpose of identification the evaporator has been stamped as below:-

Lloyd's No. 944.
tested to 50 lbs.
12/9/18. AB.

Yours faithfully,

The Surveyors,

SUNDELAND.
