15th September, 1921.

Dear Sirs,

With reference to the steamer "BRAEMORE" built by Messrs. Pitchers Ltd., of Yarmouth (Yard No.1), which vessel it is understood has now arrived at your port where the machinery will be fitted on board, I have to request that you will kindly furnish me with the full particulars of this vessel's tonnage as early as possible in order that an account for the fees and expenses due for the special survey of the hull may be rendered to the Builders from this Office.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

HULL.
